***Instructions to the Instructor:***

The above-named student is doing the JST S.T.B. program in conjunction with the M.Div. program. This extended research synthesis paper is being submitted for approval for the following S.T.B. requirement:

Requirement: "Composition of a research synthesis paper in some area of theology. This requirement is normally met by an extended research paper (20-30 pages) done during a course taken during residency under the supervision of the professor of the course."

As instructor of the above course, I certify the student has earned a grade of Pass for this S.T.B. paper, thereby completing this requirement for the S.T.B. program.
